SUPPLEMENTAL POLICIES

General Program Waiver

The City of Raleigh has been forced to confront the potential dangers associated with the COVID-19 pandemic. The City's Parks, Recreation, and Cultural Resources (PRCR) Department remains committed to providing high quality programming. However, in order to comply with guidelines from the Centers for Disease Control (CDC) and other federal, state, and local public health agencies, the PRCR Department has implemented additional safety precautions to ensure that program participants and other PRCR Department staff will have a fun, exceptional experience.

The contents of this document supplement applicable program policies (including Camp Policies and School-Based Program policies), the Program Registration Form, and the online registration for participants who registered through RecLink at parks.raleighnc.gov. Unless amended herein, all prior policies applicable to the program for which you have registered remain in effect. Please review the following information carefully to learn more about what the City is doing to maintain a healthy program environment and what participants (or their Parents/Guardians, if applicable) should do before participating in the PRCR program for which you have registered.

COVID-19 Risks

COVID-19 is a highly contagious and novel viral agent. Its transmission vectors are imperfectly understood, and it may be possible to transmit or become infected by COVID-19 despite strict adherence to guidelines prescribed by the CDC and other federal, state, and local health agencies.

Participants in Raleigh Parks programs will be in a group setting where they may come into contact with other program participants (instructors, coaches, campers, camp counselors, camp program staff, and camp program administrators, etc.). Many program activities will be conducted in a public community center setting. As a result, while PRCR Department staff will make reasonable efforts to adhere to the above-stated guidelines, participants in PRCR programs may be exposed to increased risk of transmission or infection of COVID-19 through various agencies, including but not limited to contact with or proximity to one or more of the following:

- Other program participants, staff members, or administrators;
- The personal belongings of program participants, staff members, or administrators;
- Programming and activity materials including, but not limited to, markers, books, games, toys, recreational equipment, etc.; and;
- City of Raleigh community center fixtures and furnishings, including door knobs, chairs, tables, plumbing apparatus, light switches, etc.
